

To install the Find Your Sound Presets for Stutter Edit:

1) Locate the Stutter Edit Preset Directory on your system. The default preset directories are listed below:

- Windows: C:\Users\<your_user_name>\Documents\iZotope Stutter Edit Presets
- Mac: /Users/<your_user_name>/Documents/iZotope Stutter Edit Presets

2) Copy the “Stutter Edit Presets.zip” folder from this Zip file to the Presets folder located in the Stutter Edit Preset Directory and unzip the folder.

3) Open your DAW (or close and restart your DAW if it was open when the "Find Your Sound" folder was copied over) and instantiate Stutter Edit on a track. Open the Stutter Edit Preset Browser, load a preset from the "Find Your Sound" folder and find your sound!
